

The quality of your marriage lays the foundation for the quality of your life and family. When you have a healthy marriage, your whole family will reap the benefits of intimacy, joy, and celebration. Honor is an essential ingredient in the creation of a healthy marriage. Unfortunately, our society does not promote honor in marriage. Instead, society encourages us to watch out for number one. It tells us we must earn love and affection. Both of these statements represent lies that can crush your marriage and devastate your family life.

“Honor Your Spouse-Nurture Your Marriage” is designed to counter these lies and give you practical tools to increase marital intimacy through the wise use of the Family Bank of Honor. You will learn to strengthen your marriage with at least four types of deposits you can make into the Family Bank of Honor every day!

## HONOR YOUR SPOUSE, NURTURE YOUR MARRIAGE...

...will introduce you to skills necessary to enjoy a long and healthy marriage built on honor. The skills and lessons taught in these workshops will strengthen your marriage even in the midst of transitions and changes that naturally occur over a lifetime...if you practice them! You will gain practical skills and tools to “keep that spark” alive throughout the life of your marriage!

Come one night or both nights. April 30, 2017, *Honor Your Spouse* will cover:

- *Diamonds and Coal:* During this section of the workshop, we will explore how honor and dishonor impact our marriage in different ways. Part of expressing honor in marriage is to become a person of honor. So, we will review how we can become a person of honor.
- *The Family Bank of Honor:* The Family Bank of Honor offers an excellent model to follow in building a marriage of honor. We will discuss the Biblical basis of the Family Bank of Honor and two principles of effective family banking.

- *One Honor Deposit Currency:* A person needs to know the currency of honor to effectively use the Family Bank of Honor. We will explore one deposit today, a powerful deposit you can make on a daily basis.

On May 7, 2017, we will cover:

- *Four Powerful Deposits:* These four deposits, made on a regular basis, can revolutionize your marriage. Humor, affection, romance, and passion will all increase as you practice these selfless deposits into the Family Bank of Honor.

Each session will include instruction as well as time for you and your spouse to explore ways to make practical application of the ideas presented.
